

# SEAN STRICKLAND NET WORTH

Reigning middleweight king Sean Strickland boasts a net worth over \$2 million. His income comes primarily from fights, with his biggest payday of \$1.5 million coming in his recent victory over Adesanya.

## Career Highlights

- Strickland started his MMA career professionally in 2008 with the King of the Cage promotion. He had a perfect 9-0 record before facing Josh Bryant for the King of the Cage Middleweight Championship in late 2012, winning by split decision.

## Assets and Car Collection

In early 2023, Strickland made a lighthearted video giving a tour of his house, which gained attention for its humor.

## Charitable Efforts

- Sean Strickland, a UFC middleweight contender, often stirs controversy and sparks discussions. At the UFC 297 pre-fight press conference, he wore a "Make Canada Great Again" t-shirt, highlighting free speech in a country with stricter hate speech limits than the U.S.
